*"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that works in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen (Ephesians 3:20-21)."*

September 10, 2020

The spread of the COVID-19 has gained global attention and changed our lives in dramatic ways. We pray for the families who have experienced the loss of their loved ones as a result of the virus. We hold in the highest consciousness those who have been diagnosed with coronavirus and are in various stages of healing. We wrap in light and love all the doctors, nurses and health care workers who continue to serve selflessly. We connect in spirit with our seniors and all those who are in facilities where they are not able to have guests and family visits. We lift our youth, parents and educators who strive to find creative ways to learn and to teach. We send positive energy to all governmental and spiritual leaders who make tough decisions for our safety. We stand in solidarity with businesses and all those who have been affected financially by this pandemic. We see God, the Good, manifesting for all and amid all of this (Genesis 50:20, Romans 8:28).

We all desire health, not only for ourselves but for our family, friends and fellow brothers and sisters of the Universe. Let us continue to hold the vision with our scientists for the vaccine that will stop the spread of this disease. Let us continue to take the precautions of handwashing, sanitizing areas and physical distancing. Let us continue to boost our immune systems by appreciating our bodies (cells, organs, antibodies, antigens, etc.), speaking positive words to our immune system, getting lots of rest, drinking plenty of water, eating healthy foods, taking essential vitamins and minerals, releasing stress by deep breathing, focusing on the positive and exercising exercise (walk, run, dance, move). Let us continue to be kind to others and help those in need as much as we can. Let us continue to use the technological resources that are available to us to connect with one another so that no one feels alone. There is a higher purpose and bigger plan taking place (Ephesians 2:6).

This temporary pandemic has also brought us to **Kingdom Innovation** (Numbers 18:2). Our olives have been pressed and we are producing a fresh oil (Psalm 92:10). Our grapes have been crushed and we are manifesting a new wine (Matthew 9:17). My heart is full of gratitude for Bishop A. Bernard Hector, the National Executive Board, the Vision Team and all the registered delegates who made our first Virtual Conference a huge success. Your creativity is simply amazing.

To all the candidates who are being consecrated, licensed, ordained, affirmed and designated to various ecclesiastical positions in our Kingdom movement, congratulations. We are so proud of you and your continuation on this journey despite various challenges that we have been facing over the past several months. Your courage is a testament of your calling. It is not by accident that your elevation is taking place during this time. You have what it takes to increase your impact. I love you all so much and appreciate all that you do for the advancement of the Kingdom Movement. I see you safe and well!

Yours in Kingdom Building,

Dr. Doral R. Pulley,  
Presiding Prelate

# GRACE AND PEACE!

## WELCOME TO INCREASE 2020: KINGDOM INNOVATION!

I cannot begin to tell you how absolutely excited I AM about this virtual conference. This is certainly the first of its kind for the Church of the Everlasting Kingdom. This is truly Kingdom Innovation. In spite of all that is going on in the world, God's Kingdom continues to make advancements. Thank you for registering for this historical moment and experience. I pray that you find it to be the enriching and rewarding experience that it has been planned and intended to be by way of divine inspiration.

Thank you to Bishop Dr. Doral R. Pulley and the Executive Board of the Church of the Everlasting Kingdom. As a unit we continue to serve the God's people and we are blessed to do it in a manner that proves that we are not just fellow board members, but family. I am thankful for the comradery, the trust and the love. Thank you for being a safe place of Kingdom colleagues.

Thank you to my Kingdom Covenant Ministries and Network family, I cannot say enough to express how grateful and blessed I AM to lead such a magnificent and dynamic group of Kingdom citizens. The Executive Boards of Kingdom Covenant Ministries and Kingdom Covenant Network provide a love and dedication that are incomparable. The divine connection that exists between us proves to be inseparable and I do not take it lightly or for granted.

Our Executive Support and Vision Team have worked diligently to assist with making this conference possible and I appreciate all of their effort and energy. Both my biological family and my spiritual sons and daughters do so much to ensure that I feel loved, cared for and supported. Thank you for all that you do. Thank you for who you are. Thank you for your consistency. It continues to make such a significant difference in my life.

Throughout this virtual conference and experience, please do not hesitate to reach out to me or any member of the COTEK Executive Board. We are happy to assist and support you.

*"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that works in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen (Ephesians 3:20-21)."*

In Kingdom Love,
